

The PwC and Google for Work Innovation Zone

PwC + Google for Work = *Innovative Solutions*

Let PwC immerse you in the Google for Work collaboration platform. Learn how changing the way you work leads to innovative thought.

Is an Innovation Zone Session Right for You?

Do you have a sense of urgency to transform?

Do you consider your company to be innovative in your industry? How will you continue that path?

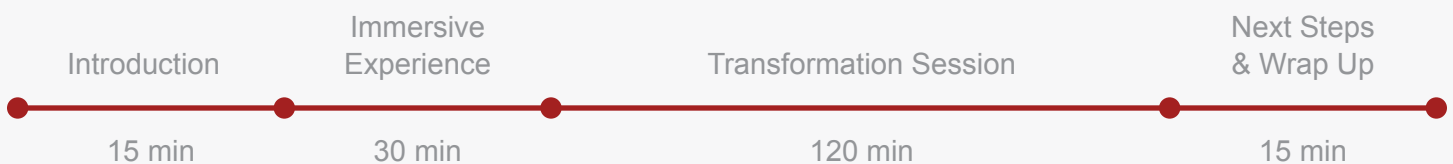

Are you looking to be innovative / disruptive in operating your business? How will you achieve that goal?

Does your organization believe that talent is a strategic advantage? Are you willing to invest in “the way people work” for competitive advantage?

What happens during an Innovation session?

An innovative experience led by a PwC *‘magician,’* a Google-trained immersion facilitator

What will you walk away with?

1. An understanding of the capabilities of the Google for Work collaboration platform.
2. Solutions to real business process challenges within your organization.
3. A vision for how your organization can Reinvent Work and drive new value.

Where is it?

Innovation Zones currently exist in locations throughout various PwC member firms and at Google locations, plus we can bring one on-site to you.
